EDUCATION

2019 - 2024 Integrated MSc in Maths and Computing
 Indian Institute of Technology Kharagpur
 Scored a perfect 10.0/10.0 SGPA in First Semester
 CGPA - 9.7/10.0 (Ongoing)

2016 - 2018 High School Diploma
 D.A.V. Public School, Kota
 92% in 12th Board Exams
 95% in 10th Board Exams

WORK EXPERIENCE

July 2020 - Ongoing Web Developer
 Blue Diamond (Restaurant)
 With the outbreak of the COVID19 pandemic, I recognized the importance of websites for the local shop owners to grow and expand their business.
 >>Making a fully functional website for the Restaurant Blue Diamond for people to order food directly and track the food quality.

2012 - 2017 Content Editor and Designer
 Dainik Bhaskar (Newspaper)
 Was awarded the best Junior Editor for 5 times in a row (2012-2017)

Skills

HTML - HTML5 , JSX

CSS3 , SASS and BOOTSTRAP

Javascript , ReactJS and JQuery

Back-End : PHP , MySQL

NodeJS and MongoDB

PhotoEditing : Photoshop

ACHIEVEMENTS

Out of 14 Lakh student, I secured an All India Rank of 1123 in IIT JEE 2019

I am also a very passionate artist alongside a programmer. I love making realistic portraits using charcoal.

I have also won several Prizes some of which are:--

>> President Awardee (Pratibha Patil - First women President of India)

>> 3rd in International Painting competition (was awarader by Ratan Tata - Head of Tata Groups)

>> 2nd in National Level Painting Competition

>> 3 times Champion in State Level Painting Competition

My Instagram art account @atr-si-luv

ONGOING - PROJECTS

>> Working on building a Social Media App using ReactJS and PHP as a backend that will allow the people to share their talent in the form of pictures and small stories and make groups that will allow like-minded people to interact with each other.

>> An eCommerce app for the local business owners to take their business to the web which includes online delivery at cheap prices so that their business sees growth and is not affected by situations like COVID19.

ACTIVITIES AND LEADERSHIP

2019 - Ongoing

Junior Cordinator

NSS (Nation Service Scheme)

It's an amazing opportunity for us to teach the students of the village called Porapara a few Km's away from the IIT Campus as there is a lack of education for those children who don't get the facilities that we do.

Participated in NSS Winter Camp

2019 - Ongoing

Sub-Head of Design Team

LBS Hall of Residence - IIT Kgp

I was nominated as the sub-head of the design team for the prestigious occasion of ILLU. (Celebrated during the festival of Diwali) and was given the responsibility to design and prepare for the decoration of the entire hall.

2019 - 2020

Participated in the Computer Vision Workshop

Robotics Club - IIT KGP

It was an amazing experience learning such new things in the workshop which left me more curious to explore and dive deep into the world of Computer Vision.
